

# Crime Reduction

## in South Shropshire

### Dear Resident

We are in the process of developing a crime reduction initiative in South Shropshire to help you protect yourselves and your property. We are working in partnership with Shropshire Council and other partner organisations to highlight a range of crime reduction products and measures that will act as a deterrent and to help reduce criminal offences.

There is an array of security products on the market, but we have selected a small number, which will be appropriate to many households in our area.

We are able to offer these products at a reasonable rate as we are able to bulk buy. Any money we take from sales is used to directly purchase more equipment to enable this initiative to carry on.

Whilst considering home and personal security measures, I would also encourage you to sign up to 'dotMailer' (Neighbourhood Watch/Rural Watch) updates from ourselves if you have internet access [www.westmercia.police.uk/register-to-receive-watch-messages.html](http://www.westmercia.police.uk/register-to-receive-watch-messages.html). This replaces the Ringmaster system and if you have smart phone you can synchronise it to receive your email.

Should you require any further information please do not hesitate to contact your Safer Neighbourhood Team or your local Shropshire Council Community Action Officer (contact details below).

### Watchman Oil Tank Alarm - £100

Can be fitted to any oil tank. It sends a signal to you inside your house to show the oil level and sounds a loud siren should any rapid loss of oil occur.

### Alarmed padlock - £10

Sturdy padlock lock that emits a loud siren if jolted.

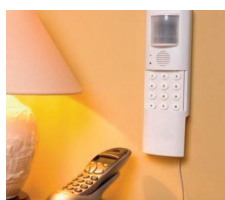

### LED GuardCam CCTV PIR + Low Energy Floodlights - £105

Takes a photo each time someone passes and activates the sensor/light, can hold up to 60,000 images.

### PIR alarm with key fob - £10

Battery powered motion sensor, activated by hand held remote switch. It can be placed inside your shed or in your house. Useful to protect your shed, entrances to your property or other buildings. Sounds alarm when motion detected.

### Autodialer PIR alarm with key fob - £20

As above but plugs into your house phone line. Can be programmed to call your mobile phone or a landline to alert you of movement in your house.

### 'This shed is alarmed' sign - £1.50

### 'This shed is alarmed' sticker - 50p

The purchase process will be the same as for Smartwater i.e. payment by cheque to Shropshire Council. Please note that other alternative products are available. This is a selection of products that we have made available to promote crime reduction to the residents of South Shropshire.
